\$35.00

Jefferson Manor Health Center would like to give families, friends, and staff an opportunity to present a commemorative gift. A commemorative gift reflects upon the memories that live forever and leaves a lasting impression.

Our Memorial Garden, located on our second floor patio, continues to grow and evolve with your help and donations. Sponsoring a personally inscribed brick for our donor walk way honors a loved one, pays tribute to a special occasion, and/or shows support for our organization.

For \$35.00 each, Glen-Gery Donor Bricks can be imprinted with three lines of up to 15 characters each (including spaces). To order, fill out the information below and return to: Jefferson Manor, Attention: Melissa Parkinson, with your donation.

Donor Brick Order Form

Personalization on Donor Brick (Please Print)
